

To help you support your child's learning in school we would like to remind you of the following:

- Please ensure that your child brings their book bag to school every day so that they can choose a book to share with you at home.
- Please continue to support your child's reading at home by listening to them read as often as you can. 15 minutes a day would be great.
- Please help your child to learn their number bonds to 10 and count up in 10's and 2's.
- Please ensure that your child has a water bottle for the classroom with fresh water in it each day.
- PE for Year 1 is on Wednesday and Friday. Please ensure that your child has their PE kit in school. Their PE kit should include a t-shirt, shorts, jumper, trousers, socks and plimsolls or trainers. Can we remind you that long hair should be tied back. Thank you.

If you would like to help in school as a volunteer, then please see your child's class teacher or the office staff so that police checks (DRB's) can be made and an induction arranged with Mrs Frampton.

If you have any queries then please see your child's class teacher.

Thank you
