

To help you support your child's learning in school we would like to remind you of the following:

- Please ensure that your child brings their book bag to school every day so that they can choose a book to share with you at home.
- Please support your child's reading at home by listening to them read as often as you can. 10 minutes a day would be great. Please support your child's accurate counting from 0-20 and with naming their colours and shapes.
- PE for RAR is on a Thursday and PE for RSB is on a Friday. Please ensure that your child has their PE kit in school. Their PE kit should include a t-shirt, shorts, jumper, trousers, socks and plimsolls or trainers. Can we remind you that no jewellery is allowed and long hair should be tied back. All PE kit should be named.

If you would like to help in school as a volunteer, then please see your child's class teacher or the office so that police checks (DBS's) can be made and an induction arranged with Mrs Frampton.

If you have any queries then please see your child's class teacher.

Thank you

Somerford Primary School Year R Curriculum News Autumn 2 Term

This leaflet is designed to give you information about your child's learning this term with some ideas about how you can support them at home.

Our topic is 'Colour Magic'
