

Welcome back

I hope you all had an enjoyable half term break despite the weather! We are set for a cold spell over the next couple of weeks and maybe even some snow. Please ensure children always have a warm coat in school and hats, scarf and gloves if appropriate.

Mrs Frampton and Mrs Matthews

More able

We work closely with our local schools to offer more able and talented pupils the opportunity to take part in enrichment events. This week children from Year 2 and Year 3 visited Mundeford School to take part in a more able maths event. They represented the school admirably and staff were very impressed with their maths skills.

The More Able policy has recently been updated and is available on the school website.

Hi Vis Jackets

We would like to let you know of an event where you can pop along and collect a free hi vis jacket for your child.

It is on Sunday 25th February between 10am and 1pm at Kings Park (next to AFCB). All are welcome and the jackets are free. A donation, however, would be very welcome.

SEN

Our annual SEN Information Report to parents is now available on the SEN page of the school website.

There is also information from support groups for parents. This information has also been attached to this newsletter.

Address:

Draper Road, Christchurch, Dorset BH23 3AS

Tel: (01202) 485436

Fax: 01202 482359

Email: office@somerford.dorset.sch.uk

Website: www.somerford.dorset.sch.uk

Executive Headteacher : Sandra Matthews

Head of School : Helen Frampton

Diary Dates

This half term's diary dates will be emailed to you on Monday and will also be available on the website.

Please remember next week is book week. Books at Bedtime is on Thursday between 5.00 and 6.00pm and on Friday 2nd March we would like children to come dressed up as their favourite book character. More details are on the letter sent home by Mrs Hudson before half term.

World Maths Day!

It's World Maths Day starting from 6th to the 7th March. Your child can complete activities using their Mathletics log-ins and play against pupils from all over the World to try and get on the leader's board. We will be competing at school, but please encourage your child to use Mathletics as often as possible during these two days at home.

Good luck!
Miss Southam
