Welcome Back!

I hope you all enjoyed the sunny half term we had (I'm ignoring the few thunderstorms!) and are now back in to the swing of the final half term. We really started as we mean to go on this week with so many exciting activities. It was wonderful to see the children having so much fun and enjoying their learning. This week has really showed that at Somersetford we **ENJOY, ACHIEVE, ASPIRE.**

Mrs Frampton

Circus Steve

We were joined this week by a Circus Coach for two days of performances and workshops which finished with a children's presentation to parents. The children were completely amazed by Steve's assembly performances. The laughter and 'oohs' and 'ahhs' could be heard around the school. After the assemblies all classes had a workshop with Steve where he taught them some circus skills. The children's confidence and achievements were outstanding. We hope you all enjoyed the performance!

Attendance

Well done to 6CC as last week they had 99.6% attendance and were able to move two spaces on the Attendance Challenge. So close to another non-uniform day. Please can I remind you that as stated on previous Newsletters, if you choose to take your children out of school for an unauthorised holiday, you will receive a fixed penalty notice for £60 per parent, per child.

Year 5 have graduated

On Tuesday, Year 5 were visited by Bournemouth University. The children worked through a series of activities that helped them think about what they may aspire to do in the future and how to set achievable goals to get there. By the end of the day all of the children had graduated from university!

Well done Year 5.
