Newsletter

We have reached the end of the first half term already!

Thank you to all those parents who completed a questionnaire at parents' evening. The Governors will be collating the responses and we will share those with you in future newsletters.

If you have not yet completed a questionnaire but would like to, please collect one from Hannah or Miss Miles in Reception.

Mrs Matthews and Mrs Frampton

This week's challenge....

This week in assemblies the children were challenged to treat each day as a fresh start. Everyone makes mistakes but we can all make a choice to start again and make each day a good day. We talked about the people we have in school to help us to achieve that.

Scooters

Please may we remind you, again, that children should not be riding their scooters on the school premises at drop off and pick up times. This especially applies to younger siblings waiting for their brothers and sisters to come out of school. May we please suggest that they leave their scooters in the bike sheds or scooter pods on entering school or that parents hold them until they have left the school grounds.

Thank you.

Coffee Morning

It was so lovely to meet the parents who came to the coffee morning today. Lots of cake was consumed and some issues were raised that will be taken back to Mrs Frampton to be discussed. More importantly, it was a nice opportunity for parents to get together and have a chat and support each other. There will be another one soon and it would be great to see more of you there!

Friday 20 October 2017 Newsletter

Green gate

It has been suggested by parents that the small green gate is secured open at the end of the day to make it easier for parents to enter and leave the school site.

We will trial this for two weeks after half term in response to this feedback. Please be aware that the members of school staff stood near the gate are NOT there to supervise children and all children are their parents' responsibility at the end of the school day.

If the gate is secured open, please ensure you are carefully supervising your children at all times.

Class Assemblies

Thank you to all the parents who have attended the amazing class assemblies from 3CC and 6JW.

Our next assemblies will be led by 2MS and 5DC at 9am.

Thursday 9th November 2MS
Thursday 16th November 5DC

Parents' Consultations

Thank you to all those parents who attended the parent consultation meetings this week.

A big thank you to Michelle and her staff who provided delicious samples from the new menu too!

Mrs Perks's consultations will be rescheduled to after the half term and more details will be sent out when we return.

Half Term

A reminder that school closes at the normal time on Friday 20th October for the half term break.

Address:
