28<sup>th</sup> November 2017

Dear Parents/Carers

In May 2017 we held a consultation on the viability of providing an after school club at Somerford Primary School. Unfortunately this consultation showed that only a small number of parents were interested and the school could not progress further. However, this is something we keep being asked to provide.

We are now investigating the viability of running an after school club through an established child care provider 'EnergyKidz'. They work with over 70 schools in the country and offer inclusive, accessible after school clubs and holiday clubs from Reception children to Year 6.

EnergyKidz are keen to find out levels of interest at Somerford Primary School and have sent further information on the attached flyer.

Please take the time to complete the survey to ensure your views are heard. If there is enough demand we are keen to start the club ready for September 2018, if not before.

We will also send the flyer out in an e-mail which will enable you to click directly on the link.

Thank you for your help.

Mrs H Frampton

Head of School.
