9 October 2017

Dear Parents,

This letter is to remind you that we will have pupils on roll who have a severe nut allergy. Strict avoidance of peanut or nut products is the only way to prevent a life threatening allergic reaction. We are asking your assistance in providing these pupils with a safe learning environment.

If exposed to peanuts or nuts the pupil may develop a life-threatening allergic reaction that requires emergency medical treatment. To reduce the risk of exposure the school is peanut and nut free. Please, do not send any nut containing products for your child to eat during the day. If your child has eaten peanuts, peanut butter, or nuts prior to coming to school, please be sure your child's hands have been thoroughly washed prior to entering the school.

The catering company that supplies the school with lunches operates a 'completely nut free' policy. If you send your child to school with a packed lunch please ensure that you do not send peanut butter or nut products. Please be aware that chocolate spreads, cereal bars and other products often contain nuts. Please read the labels!

We appreciate your support of these procedures for the safety and wellbeing of all our pupils.

Yours sincerely

Mrs H Frampton
Head of School
