Dear Parents

As a school we are constantly aware of the need for safety for the children when they are accessing sites online either in school or at home.

The website Think U Know (<https://www.thinkuknow.co.uk/parents/>) is in association with the National Crime Agency and has opportunities for parents to ask questions about the safety of their child online. For example:

- advice about parental controls
- reporting incidents on social media sites
- apps that can be potentially dangerous

Why not try the site at home?

Yours faithfully

Mrs Perks
