

## SCIENCE CURRICULUM OVERVIEW 2017-2018

	Autumn		Spring		Summer	
YR						
Y1	<i>Human Body Seasonal Changes – Autumn/Winter</i>		<i>Plants Seasonal changes-spring</i>		<i>Animals Seasonal changes summer Everyday materials</i>	
Y2	<i>Materials</i>		<i>Materials Living things and their habitats</i>		<i>Plants</i>	<i>Needs of animals and off-spring</i>
Y3	<i>Rocks</i>	<i>Animals (including humans)</i>	<i>Light</i>	<i>Magnets and Springs</i>	<i>Plants</i>	<i>Renewable energies</i>
Y4	<i>Animals (including humans)</i>		<i>Changes of state</i>	<i>Water cycle</i>	<i>Electricity</i>	<i>Sound</i>
Y5	<i>Properties of everyday materials and reversible changes</i>		<i>Gases around us</i>	<i>Earth, sun and moon</i>	<i>Animals( including humans)</i>	<i>All living things</i>
Y6	<i>Electrical circuits(Changing elements)</i>	<i>Health and Lifestyles (body systems including circulatory)</i>	<i>Evolution and adaptation (polar animals)</i>	<i>Forces</i>	<i>Classification Micro- organisms</i>	<i>Light and shadow</i>
