

## A new 12 page mini-colouring book ... FREE

Print as many copies as you like, then print a few extra and share them with a friend! Start a colour club, share your creations online and send this link with anyone you know who could benefit from a splash of colouring self care just now.

Take a peek at my [5 top tips for printing downloads](#).

Inspired by the best loved pages from my previous books, along with some sneak peeks at new work, this 12 page mini colouring book is FREE to download.

I hope the new book brings you some joy and calm.

Have fun exploring and colouring the new book!

Much love,  
Johanna x
