Dear Parents

As we approach Easter, I would like to inform you of the school's plans for the two week Easter break.

The Government have asked all schools to remain open where they can, this includes for the two Bank Holidays. Staff at Somerford are prepared to do this for critical workers - yet another reason I am immensely proud of them.

However, I am aware that some of you may have already made plans for the holiday and therefore will not need the child care service at school. I do not want to ask staff to come in if this is not essential.

Please would you indicate on the slip below and return to school as soon as possible so staffing decisions can be made.

Please note, children in school over the Easter holiday will receive a cold, packed lunch as the kitchen will be running on minimal staff.

Thank you for your support and for the important role you are currently playing.

Best wishes

Helen Frampton
