

Somerford Primary School

Draper Road, Christchurch, Dorset BH23 3AS

Tel : 01202 485436

Email : office@somerford.dorset.sch.uk

Website : www.somerford.dorset.sch.uk

Headteacher : Mrs H Frampton

Name of parent

11th October 2018

Reference: Biostore website and ordering school meals

We will launch the new school meal online ordering system on Wednesday 7th November 2018. You must set up your Biostore account before this date. This will enable you to order all future meals for your child.

ALL meals must be ordered in this way, including Free School Meals and KS1 meals

Please note; the current system of ordering using the paper slips will not be available after Thursday 1st November 2018. So please ensure you have ordered meals for w/c 5th November before this date.

All parents have been sent details for setting up an account for Sims Agora, the online payment system for trips etc. You will need this account if you pay for school meals.

For paid school meals, please add credit to your Agora account and then go to the Biostore website to order your requirements.

KS1 & Free school meal families will NOT need an Agora account, you will need to go directly to the Biostore website and order your requirements.

To access the Biostore website and set up your account, please follow this link <https://biostore.preorder.fastrak.co.uk> using the attached guidance, your personal ID and log in reference below. The Fastrak ID has an A at the beginning – If you have any problem logging in please try the same ID but without the A and hopefully that will give you access.

Childs name:

Childs class:

FasTrak ID:

Customer ID:

If you have any problems at all please contact Mrs Kate Campbell – finance@somerford.dorset.sch.uk who will be pleased to assist you.

Yours sincerely

Mrs H Frampton
