Dear parents / carers,

At Somerford, children in years 3,4,5 and 6 learn French on a weekly basis. We want to bring this experience alive and make their learning relevant. I am delighted to inform you of a wonderful opportunity for our children to develop their knowledge and confidence of the French language.

Every half term a different year group will have an amazing opportunity to write to a pupil from Ecole Élémentaire Félix Faure, a school in the North of France. They will be able to ask the French children questions about their school life, their families and French culture and traditions.

We will not be giving out any personal details such as home address to the French school and the children will only correspond to each other using the school addresses. Please complete the slip below giving permission for your child to take part.

We are looking forward to establishing an exciting link between the schools and are confident that our children will enjoy making new friends!

Many thanks for your support.

Yours sincerely,

Miss Carpenter
