9<sup>th</sup> October 2018

Dear Parents

This year we will be celebrating Harvest Festival at High Cross Church and Rev Paul O'Connor will be leading three services during the day on Tuesday 16<sup>th</sup> October to allow all children the opportunity to attend.

We will be collecting food for Christchurch Foodbank and Tracy will be leading part of the service to share with the children the fantastic work of the Foodbank. Please could each child bring a donation of a tin or packet to take to the church with them. The Foodbank is particularly in need of UHT milk, tinned fruit, tinned potatoes, jelly, jam and tomato sauce at the moment.

The children will be walking to the church with members of school staff. Unfortunately there is not room in the church for parents to attend the services. All children will still have their snack and lunch times as usual and will be back in school for the end of the day.

Please ensure all children have a coat as we will still be walking if it rains!

Please complete the slip below to give permission for your child to attend the Harvest Festival Service.

Yours sincerely

Helen Frampton  
Headteacher
