Dear Parents

It is with deep sadness that I am writing to tell you that a much loved member of our school family passed away this morning.

Mrs Kim May was our friend and colleague and she had worked at Somerford as a teaching assistant since 1994. I know that many of you will have known Mrs May and cared greatly for her too.

Mrs May has been off work unwell but unfortunately her health deteriorated rapidly over the last month.

I informed the children this morning and all staff have been available to support them during the day. We have shared that it is OK to feel sad but also OK not to feel sad and I am sure you will reinforce this message at home.

In time, we will think about how we formally remember our friend as a school but for now we just need to be there for each other as a school community.

With my very best wishes

Helen Frampton
