21st January 2019

Dear Parents/Carers,

For the second year running, Somerford Primary will be supporting the NSPCC charity by taking part in their Number Day on **Friday 1 February 2019**.

The NSPCC would like all schools participating in Number Day to raise money, so they can help fund vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern. You can find out more about the NSPCC's work at: **nspcc.org.uk**

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it and raise money at the same time!

Your child will be participating in a range of fun curriculum-based maths challenges. To help raise money for the NSPCC, we would like your child to come in something that has a number on it, as the theme for this year's Number Day is 'Dress up for Digits'. This can be anything from football strips to custom-made designs. If you would like your child to dress up, please send in a donation of £1 on the day.

We're looking forward to all the fun of Number Day, and we really appreciate your support.

Miss Southam

Maths Leader
