Thursday 11<sup>th</sup> October 2018

Dear Parent/ Carer,

This year we have decided to participate in the '**Design a Christmas Card Project**' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child will be creating their own design for a Christmas Card in class over the next two weeks. These designs can be professionally printed to produce a pack of 12 cards with envelopes.

It would be very exciting for your child to see their work as a finished printed product and the cards themselves are great for sending a more personal greeting to friends and family at Christmas!

During the next two weeks, your child will be bringing home their design along with an order form which should be completed and then returned to your child's class teacher by **Friday 2<sup>nd</sup> of November**. The cards will be delivered to school and returned to you at the beginning of December.

#### Please note:

- **Payment can be made using the Agora system**
- **Any cheques should be made payable to Somerford Primary School.**
- **Artwork and payment must be returned to your child's class teacher by Friday 2<sup>nd</sup> November.**
- **Encourage your children to look after their designs and avoid creases and damage as they will be scanned for printing.**

Thank you in advance for your help with this project.

Yours sincerely

Mr Wallace  
Deputy Headteacher
