Dear Parents and carers

I hope you all had a good half term and managed to safely enjoy the lovely weather we had.

After so many weeks of most of the school being empty and quiet, it has been truly wonderful to walk around the school and hear laughter and chatter and see smiling children and staff. We had spent three weeks planning for the partial reopening and yesterday and today have shown- yet again - how fantastic our children, staff and parents are. We know some of the protective measures are inconvenient and different to normal, but everyone has embraced them brilliantly.

Currently our 'bubbles' are not full and therefore we can still welcome back more children from Reception, Year 1 and Year 6. If you would like your child to return, please ensure you contact us to give notice as we need to ensure all their personal equipment is ready for them.

Please may I just remind you of a few things we need to stick to to ensure everyone's safety:

- Please do not send your child with a school bag. The only items that can be brought from home are a named lunch box and water bottle
- Please apply sun cream before the school day if needed. We cannot assist the children with applying cream
- Please arrive on time for your child's session – please try not to arrive early

Thank you for your continued support.

Yours sincerely

Helen Frampton
Headteacher
