

On the 6th July it was meant to be our Sports day. Unfortunately, we won't get a chance to do this altogether this year. **But why not bring Sports Day into your household?** You could compete against your family- brothers, sisters, dad, mum, carers, grandparents or even the dog!

Each point you receive will be a POINT for your house but please remember one thing.....

This is a fun activity and the main idea is to have FUN with your family 😊.

The referee is in charge of recording the points and may deduct one point if you aren't showing good sports personship. If there is an activity that isn't your strong point- use your growth mindset and try your best. You could also use this as a learning curve to practise a particular activity a little more. All of these activities listed below will help with some form of PE skills e.g. strength, hand eye coordination, accuracy, speed, balance.

HAVE FUN AND ENJOY.

You can choose a selection of the activities or could you do all these challenges in a day?

Whichever activities you choose to do, you will get an automatic point, as it is the participation that counts. You'll also get a chance to win a bonus point. Record your points on a piece of paper.
