

Boy in the Tower

When they first arrived, they came quietly and stealthily, as if they tip-toed into the world when we were all looking the other way.

Ade loves living at the top of a tower block. From his window, he feels like he can see the whole world stretching out beneath him.

But one day, other tower blocks start falling down around him. Strange, menacing plants begin to appear and no one knows where they came from.

Now their tower isn't safe any more. Ade and his mum are trapped and there's no way out.

Where Monsters Lie

The children of Mivtown have grown up hearing the legend of the monsters of the loch. But it's only a story – a warning to stay away from the water.

Then strange things start happening. Effie's rabbit Buster escapes from a locked hutch, her mum disappears and slugs start to infect her home.

Along with her best friend, Finn, Effie begins to hunt for clues to solve the mysteries of Mivtown. Could this all be connected to the legend? Is it really just a story or is there something lurking in those deep-dark waters?
