

EYFS KNOWLEDGE ORGANISER- Autumn 1

Understanding of the world

We will be learning all about our body and what we look like

Science Knowledge

We will talk about how we have changed since we were a baby.

We will name outside and inside body parts

We will describe what we look like and how we look different and similar to our friends

Geography knowledge

We will say where we live

We will talk about places we like to visit with our family

Expressive Arts

In **art** we will create self portraits and learn to use colours appropriately.

We will make sculptures of ourselves using play-dough and recycled materials

We will make colourful collages of our bodies and faces.

In **music** we will learn songs about our body and learn to tap rhythms and move to the beat.

In P.E we will learn to get dressed into our PE kit all by ourselves.

All About Me

Questions to ask

What do you look like?
Who is in your family?
Who are your friends?
What do you like doing?
Where do you live?
What are your favourite things?
What is your favourite story?
What is your favourite song?
What is your favourite colour?
How do you feel?

Stories and Songs

Owl Babies

Peace at last

If you are happy and you know it

Boris starts School

The Gingerbread Man

Heads, shoulders, knees and toes

Fun Facts and Knowledge

Human teeth are just as strong as shark teeth.

Your brain is sometimes **more active when you're asleep** than when you're awake.

We have 206 bones in our body.

VOCABULARY- WOW WORDS

Same different similar relatives family hobbies interests community routines rules favourite feelings happy sad excited worried frightened

How you can help at home

Find a picture of you as a baby and bring it in to show your new class.

Practice writing your name and drawing a picture of yourself.

Go on a walk and take some pictures about where you live.

Make and decorate gingerbread men.

Visit the library and find some books that you enjoy reading
