

FRIDAY 02 OCTOBER 2020

Thank you, thank you, thank you!

Since sending home our Amazon book wish list, we have received so many books for the children to use in class. Thank you to all those of you who have generously sent a book—or books!

We are making good progress but we need so many that we still need more people to donate a book if they can.

The link to the list is:

<https://amzn.eu/fs7wDe1>

Please feel free to share with family and friends too
Mrs Frampton

Drop off and pick up reminders

- Please be on time. If you are late, your child may be asked to wait until another group of children have entered or exited
- The gates are locked at 9.00am. If you arrive after this time, you will need to come to the front gate and press the buzzer

School lunches

Thank you for your patience with Biostore—again!
Mrs Thacker is working hard with our IT technicians to resolve the problems. If you are unable to order, please email finance@somerford.dorset.sch.uk
Thank you for your support.

Fire drill

We held a fire evacuation practice this week to ensure we all knew how to evacuate safely from our new rooms in the case of a fire. The children were all amazing and left the building quickly and quietly.

Goodbye

We are sadly saying goodbye to Mrs King who has been an invaluable member of our lunchtime supervisor team in the Infants. We wish her the very best in her new adventures but she will be missed.

We are also saying goodbye to Mrs Eckett who has been an amazing teaching Assistant with us for several years. We will miss you Mrs Eckett! Good luck with your new role.

Headteacher : Helen Frampton

FRIDAY 02 OCTOBER 2020

SOMERFORD PRIMARY SCHOOL

School Closed for staff training
Friday October 9th—next Friday!

Flu Immunisations

Flu immunisations are being offered to all children in the school this year. A consent form and information leaflet was sent home on Marvellous Me last week. If you would like a paper copy, please email the office and we will send one home with your child.

If you do not want your child to be immunised, you do not need to complete the form.

Public Health are encouraging as many people as possible to be immunised this year particularly. If you have any questions or concerns, please use the contact details in the information leaflet.

Parent Governors

We have two vacancies for Parent Governors.

If you are interested or would like to find out more, please email
office@somerford.dorset.sch.uk

It is really important to us to have parents represented on our Governing Body so please consider getting involved.

Ventilation and warmth!

In the guidance for reopening schools it instructs us to ensure there is 'adequate ventilation in classrooms' even when cold. Public Health Dorset have said this means keeping windows and doors open, and encouraging cross ventilation.

This means our classrooms and shared areas are cold!

We would suggest you send your child in to school wearing additional layers under their uniforms. This could be an additional t-shirt under their polo shirt, thermal tops and leggings or sports base layers.

Please also make sure they have a coat!

Welcome Back!

We are really pleased to welcome Miss Darley back to 5RD today. We would also like to say a big thank you to Mrs Taylor for looking after the class in Miss Darley's absence.

Our next newsletter will be Friday 16th October 2020
