Dear Parents,

The Department for Education has recently made the teaching of Relationships and Sex Education statutory. In view of this, we have rewritten our school policy to ensure that we are following Government guidelines at an **age appropriate level**.

I would really value input of a small group of parents to review the new policy with me, before it is approved by the Governors. Together, we would read through the policy and discuss the changes that have been introduced and the content of the curriculum for each year group.

If you would be interested in joining me via zoom, please fill in the slip below and send it to the school office. I will then get in touch with you directly with further details.

Many thanks

Mrs Cook

PSHE Leader

.....

I would be interested in joining a parent's working party to discuss the new Sex and Relationships policy, via zoom.
