Dear Parents

We have received a Schools Watch report relating to an incident in Bournemouth.

It has been reported that at approximately 1600 hours on Tuesday 11 May, a 16yr old female pupil was walking home from a school in Bournemouth. A vehicle described as a yellow Fiat has slowly followed her. The driver wound down his window and followed her to her home address before turning around.

Whilst this was not local to our school, the police have suggested that we ask parents to remind children of what to do if they are ever worried while they are walking home on their own and give some personal safety advice.

Please remember only children in Years 4, 5 and 6 may walk to and from school on their own. If your child is in Years R to 3 or you usually collect your child, please let us know if someone different will be collecting. We will not let your child go home with someone who is not on their contact list if you have not informed us.

Best wishes

Helen Frampton
