

EYFS KNOWLEDGE ORGANISER- Summer 1

Understanding of the world

We will be learning all about different sea animals and different types of seas and oceans.

Science Knowledge

Fish live under the sea and lay eggs.

Mammals such as dolphins and whales live under the sea.

A turtle is an amphibian and can live on land or in water.

Geography knowledge

There are 5 oceans in the world including the Pacific and Atlantic.

The nearest sea to us is called the English Channel

Expressive Arts

In **art** we will make fish in the style of Pfister.

We will make sculptures of sea creatures using clay and recycled materials

We will make colourful under the Sea collages.

In **Design Technology** we will begin to learn to sew and make a fish out of fabric

In **music** we will listen to Debussy 'La Mer' and use our imagination to move to the music
