Dear Parents and carers

We have arranged for two mobile climbing walls to visit the school on Thursday 24th and Friday 25th of June. All children in Years One, Two, Three, Four, Five and Six will be given the opportunity to try climbing over the two days. The children will be harnessed using an auto belay system and the wall will be staffed by trained instructors. No children will be forced to climb the wall but, in line with our core value of wanting the children to aspire, we will encourage them all to try the activity.

If you have any questions about the activity please contact the school office at the usual email address office@somerset.dorset.sch.uk.

As with our visit yesterday from Jamie Knight, world top ten freestyle footballer, we have funded this outdoor adventurous activity using our sports premium money from the government so there will be no charge for the children to take part in the climbing.

As always the children's safety remains our key priority and therefore we reserve the right to remove children from any activity if their behaviour is making themselves or others unsafe.

Yours Sincerely

Mr J Wallace
Deputy Headteacher
