

## FRIDAY 8 OCTOBER 2021

We are really pleased that we have had nearly two weeks without a positive COVID case in school. Thank you for your support in testing, staggered drop offs and pick ups. These all help to keep our community safe.

I am even more pleased to see such incredible learning across the school. Some visitors from another school commented this week on how well structured our intervention sessions were, how well children engaged and what great progress they made. Always great to hear!

### Democracy

We have had a big focus on the British Value of Democracy over the last couple of weeks. Classes have elected their School Council Reps and the whole school, staff and Governors cast their vote for our House Captains. I was so impressed with how many children put themselves forward for these roles and the House Captain speeches were fantastic. Everyone who took part should be very proud.

## An update from HC3S, our catering provider

Is your child a fussy eater? You may find that by having school meals your child will try foods that they wouldn't necessarily have at home. HC3S, our caterer, have a helpful guide on their website. <https://bit.ly/2Wr3Eu7>

October is Vegetarian Month so why not encourage your child to choose more veggie, non-meat options from our school menu. They may even discover some new tastes

## FRIDAY 8 OCTOBER 2021

### Welcome

We would like to welcome Miss Jurado to our teaching assistant team. She is working in Year 6 and already feels like part of our school family.

### Power outage

On Monday we had many areas of the school without power! Thanks to the hard work of all staff we managed to stay open and still provide a hot meal for all children who needed one. All is repaired now! I would like to commend the children for their resilience in dealing with this situation.

### Squid Games

There is a new series on Netflix called 'Squid Games'. This series takes traditional children's games and turns them into horror scenes. It is not appropriate for primary aged children. Sadly, some of our children have said they have watched it already. Please talk to your children about what they are watching on TV and online. It would also be a good opportunity to check you have set your parental controls on channels such as Netflix.

Here is a link that can help you do this:

### Attendance

Congratulations to Mrs Semple's Year 2 class for their 100% attendance last week. I hope you enjoyed your non uniform day!

### Parent Consultations

Look out for a letter coming home on Monday for you to book your parent consultation meeting.
