Dear Parents/Carers,

We have exciting news!

Our children and their school council representatives have been working hard on fundraising ideas to allow us to purchase some fun, new, health conscious playground equipment. The councillors and their classes voted for play equipment they would like to see on our playgrounds. The children have expensive taste, and we are now trying to raise the money to allow our school both outdoor exercise equipment and a magnificent climbing wall.

We are aiming to raise **£13,000.00** to improve our playground. Hopefully this will not be achieved solely through asking for donations, we will be applying for grants that support school improvement, alongside our fundraising efforts.

We will be creating lots of fun opportunities for the children to fundraise to achieve their goal. The school council have voted on the first of these exciting fundraisers to be a **'Pyjama Day'** at school! Please rest assured that there will not be fundraisers on a weekly basis. We understand how tough times are, so anything you can spare would be welcome. We are aiming to work on one fundraising event per half term.

The children will come to school dressed in their favourite pyjamas and have a movie session with snacks! The movie will obviously be a U (Universal) and the children will do this within their phase bubbles for health and safety reasons.

This will take place on **Thursday 17th of February**. Please send a donation in with your child so that we can begin our fundraising mission in a great way. **Recommended donation £2.**

Thank you so much for your continued support,

Miss Briant and the School Councillors
