

EYFS KNOWLEDGE ORGANISER- SPRING 2

Understanding of the world

We will be learning all about different Farm animals and how crops grow.

Science Knowledge

Plants need seeds, soil, water and sun to grow.

In Spring plants start to grow again.

Vegetables and fruit are grown on farms

Chickens lay eggs and eggs hatch into chicks.

Baby farm animals have different names to adult farm animals e.g. lamb and sheep

Farm animals need to be cared for and need shelter and food to grow.

We can make clothes from sheep's wool and cows skin

Geography knowledge

There are lots of different jobs to do on a farm

Somerford is a town and farms are found in the countryside.

Expressive Arts

In **art** we will make patterns out of leaves, potatoes etc.

We will make farm animals out of recycled materials.

In **Design Technology** we will be making smoothies and a healthy sandwich.

In **music** we will listen to Prokofiev Peter and the wolf and use our imaginations to move to the music. We will play Old McDonald using tuned and untuned percussion instruments.

On the Farm

Stories and Songs

Farmer Duck

Little Red Hen

The Pig in the Pond

Oliver's vegetables
