' This is a school that puts pupils first. '

Ofsted November 2021

4th March 2022

Dear Parents and Carers,

To start our new topic 'Planes, Trains and Automobiles!' Year Two will be having a Wheels day on Thursday 10th March.

On this day your child can bring in their bike or scooter, which must be clearly named, into school. All bikes and scooters will be brought into the classroom after collection from the gate. Children will also need a helmet, which **must** be provided along with any other safety accessories you would like your child to wear.

During the day the children will have the opportunity to ride their bikes and scooters in the playground whilst learning about road safety.

It is very important that your child brings their helmet otherwise they will not be able to ride their bike or scooter – we have a very limited supply of spare helmets so please let me as soon as possible if you are unable to provide a helmet. The bikes and scooters will be kept in school whilst they are not being used.

If you have any queries then please see me or email me on the class email.

Thank you for your continued support.

Mrs Semple
