You can then see the *Meal Choices* page:

- You can see your child's meal account balance at the top - if this balance is negative it will be highlighted in red.
- You can top up the balance via card payment using the **Top up account** button. You can see more about topping up here: [Topping up the meal account on the Parent Portal or Arbor App](#)

On the page you can see all future dates you can select a meal for:

- **Deadline passed** - the deadline your school has set to make a meal choice has passed and cannot be edited by you. Your child's teacher can amend their choice while taking the register, or you can contact your school if you'd like to specify what meal your child is going to have.
- **No choices made** - click to select the meal your child will have.
- **Meal Choice** - you've set a meal choice already, but you can click it to change your choice.
