' This is a school that puts pupils first. '

Ofsted November 2021

Tuesday 11th November 2025

Dear Parent/ Carer,

Your child has been chosen to represent the school in the Dare to Believe Festival on Wednesday 19th November 2025. The event will be held at The Grange Secondary School at 3.30pm and will finish at approximately 5pm.

Your child will be provided with our school PE kit but they will need to bring their own trainers, a snack and a drink. If your child requires any medication (asthma inhaler, EpiPen etc.) please make sure these are in school on the day.

It is important that children chosen to represent the school behave well in school and work hard. Therefore, their place on the team relies on them continuing to behave well and work hard in school.

If you are happy for your child to participate in the festival please sign permission by clicking on the Microsoft Form link that was emailed out with this letter **by Friday 14th November.**

After the festival is finished we will bring the children back to school. Please collect them from Somerford School main gate at approximately **5.10pm.**

Yours sincerely,

Miss Bennett
